### CORONAVIRUS IN THAILAND

We are thankful and blessed for all of your support! Our supporters have helped so many lives in Thailand. God is using you for the harvest here in Thailand. We cannot express enough how thankful we are! We pray many blessings over each of you. As you know, Coronavirus has hit just about everywhere. Here in Thailand, we are thankful for the safety precautions that have been made. We know that we need not to be afraid but we also know that God has given us

wisdom. Travel has been banned within the country.. That puts a strain on Visa renewal for Jonathan, the Director. But we know that God is in control and that everything will work out according to God's plan. The girls are safe and no one is sick in our home. God has been protecting us. There are over 2500 cases here but that is less than 0.005 percent of the population. We are not worried and encourage you to think on good things just as Paul, in Philippians 4:8, admonishes us to do. May God bless you and keep you. To God be the Glory.

**Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV**

Please pray with us for the following needs to be met:

Souls to be won

Open Doors in the community

Church Planting

Vehicle to be paid for

Budget to be met

Protection and Safety in our travels

Land for Building a Children's Home

## Birthdays and Worship

We are so thankful for all of our house parents. This month we were able to celebrate one of our house mother's P'See. P'See is very generous, kind, and loving. She has dreams and visions of the future and for the children. We are thankful for her and her family for taking hold of the vision of Promised Land Ministries to help rescue, restore, equip, and release those we rescue

into their Promised Land. When we celebrate birthdays in Thailand, we don't just have a party, but we worship the Lord and give thanks to God for the life that He has given to us. We celebrate with prayer and songs of worship. We fill the atmosphere with His presence and ask for many blessings upon the person whose birthday it is. P'See thanks each of you for your support and sends her love.
