A JANUARY CHRISTMAS

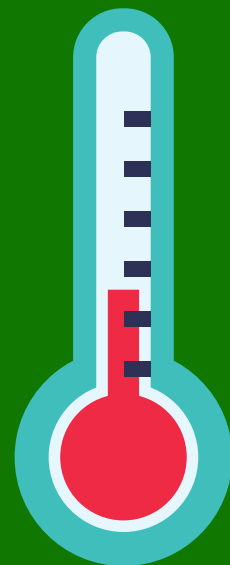

Imagine yourself growing up in a world where, on Christmas, you don't receive presents and don't get to have blood relatives to share the season of giving with. Now imagine yourself living in a place where, instead of mothers and fathers giving their children gifts, they instead, give their children as gifts to the sex trade. This may be a hypothetical situation for you but it is a reality to the children around us in Thailand.

This has been a reality for so many for too long of a time. But the light of Christ has shown in the darkness. and the bright star that shown in the nigh was once again able to be seen in Chiang Mai, Thailand. By the grace of God, we were able to share in celebrating Christmas together with some children that have never had a Christmas. Thanks be to God but also thank you to those who have supported us. We were able to play games and eat together

WHAT'S IN STORE

Due to some certain restrictions we have run into, we have to postpone the opening of the Coffee Shop. However, God has opened the door for us to build a home for children so we will be raising money for this. The land will be \$17,000 for 1 rai. Please help us to raise money so that we may rescue those in need and provide a safe haven for them., This is the first need as we go step by step. Thank you and God Bless!

A JANUARY CHRISTMAS (CONT)

We also read the Christmas story from Luke chapter 2 and talked about the true meaning of Christmas. We were able to Give gifts to one another and share in the joys of giving for the Lord said, "It is better to give than to receive." Thank you once again to all of those who have supported us and ask you to continue to do so, that we may change lives together.

JAMLUANG VILLAGE

Have you ever used boiling hot water to take the hide and hair off of a big pig? Have you ever heated hot water in a kettle for a warm bucket shower? Have you ever slept on bamboo flooring for a bed? This is what we did this month. We were able to join our fellow believers in a Karen Tribe village four hours from

Chiang Mai. This village is a majority Christian but there are those that follow another path. We have made contacts here and have helped with clothes and also worship at the local village church. Please pray for provision for the village and for lives to be continually changed for God's Kingdom.
