

PROMISED LAND MINISTRIES

Chiang Mai, Thailand

JANUARY - MARCH 2020 | ISSUE 1 | VOL 3

NEW SEASON NEW LIFE

We are so thankful and blessed to announce that in the past 2 years we have supported and helped rescue 22 girls. We are now looking for more people, churches, and businesses to commit to helping us support these children and rescue more. One child that is sold is too many. There are many more out there that need to be rescued. We are looking to buy land so we can build more homes. Our first goal for this new year is to have \$5,000/month in donations. We would also like others to join

us in Thailand for mission trips so that you can see what we do here. God is doing something amazing. We thank those who have been apart of this wonderful journey and ask for those who haven't to please join us. Thailand is a hub for sex trafficking and if we can take out the roots then we can kill the plant. Help us rescue, restore, equip, and release these children into a place that God has promised them in His Word. A Promised Land. Thank you for your support and celebrate with us this year as we start a new season of ministry.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Please pray with us for the following needs to be met:

Souls to be won

Open Doors in the community

Church Planting

Vehicle to be paid for

Budget to be met

Protection and Safety in our travels

Land for Building a Children's Home

Children's Day

In the month of January we celebrated Children's Day. This is a day we make sure that the children know they are loved and cared for. We show them that they have a future in this world and the next with the Lord. We also like to take them out to eat. In the pictures above and below you can see Sittaya, one of our house mothers, taking out some girls to KFC.

Out of all of the western food that we have in Thailand, KFC is the girls' favorite place to eat. When we ask them if they want to go out to eat they tell us they do and always want to go to KFC. On Children's Day we want to show them that they can still be a kid and that they don't have to grow up too quickly. Thank you so much for your love and support so that we can show our girls this love.
