LITTLE THINGS MEAN A LOT

Jon and Gey giving little things

It has been said "Little things mean a lot." That could not be truer than here in Thailand. The smallest gesture of kindness shown to the people I encounter daily is received with such joy and gladness. I stand amazed at how God uses the little things to make the greatest impact. In telling the greatest story the world has ever known God chose to use a series of little incidents, little things, little tasks, little people and little places to give us the story of Christ's coming into the world.

You could not read the account in Luke without being impressed with the fact that there is nothing here that man calls great. Someone once said, "God is great in great things and very great in little things." We had the privilege to share some little things with the students of Impact Asia Bible Institute. God had impressed upon Gey and I to put together some bags of little things such as fruit, coffee, and toiletry items to give to the students. As we put the bags together we prayed that God would use these little things to help the students feel loved.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Little Things Continued

The bags were received with much excitement and happiness. After the bags were given we were told by the staff that the students had never been given anything. We were taken aback by the gratitude expressed by staff and students alike. "Little things mean a lot."

I want to thank you for your continued support. Your financial giving is helping us make a difference in the lives of the people of Thailand. We love you!

In Him for Them,

Jon, Gey
