

PROMISED LAND MINISTRIES

Chiang Mai, Thailand

APRIL-JUNE 2019 | ISSUE 2 | VOL 2

HOPE TO THE HOPELESS

In the past month and few weeks we have been blessed to have my father Pastor John of Radiant Life Church of God to come minister with us in Thailand. This is his third missionary journey to Thailand. He was able to minister in and preach the Gospel at a local church in Chiang Mai. This church consists mainly of people from the Karen Tribe, but there are also some Thai-Yai and Thai people as well. The Thai-Yai people are

persons who have moved or have been displaced from Myanmar and now live in Thailand. The Karen Tribe originated in Myanmar but now have lived in Thailand for sometime escaping genocide. This church could be considered as a multi-ethnic, international church because a woman from the Netherlands and a man from England also attend. Gey Loudermilk, co-founder of Promised Land Ministries was able to translate for Pastor John and bring forth hope to a nation in need.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Please pray with us for the following needs to be met:

- Souls to be won
- Open Doors in the community
- Church Planting
- Vehicle to be paid for
- Budget to be met
- Protection and Safety in our travels
- Land for Building a Children's Home

Teaching About Culture For A Brighter Future

One interesting thing about the education system in Thailand is that a lot of times the schools do not teach about the history or the different cultures around them. One thing we want to do at Promised Land Ministries is make sure our girls have a well rounded education. Especially when it comes

to the people and cultures around them. When Pastor John visited we were able to take our girls to the Chiang Mai Cultural Center. This center is usually to teach tourists about the cultures within Thailand but we also were able to use it to teach our children so that they can have a brighter future.
