SHARING THE GOSPEL

Jon and Gey sharing the Word

Sawatdee Khrap from Thailand! God has been working in so many ways for us since our last newsletter. We were invited to share the good news of the Word of God at a church in the city of Doi Saket. It is a church that is predominately attended by Karen Hill tribe people. Gey was at my side interpreting for me as I spoke. I am so thankful that God has brought us together as husband and wife and as a ministry team to

further the work of the Kingdom of God in Thailand. We were fortunate to have a projector where we used a PowerPoint presentation as we spoke so that the message could be further communicated and understood. We put the Thai wording alongside the English wording. This helped the congregation as they were seeing the words before them and hearing them spoken by me and Gey. We have a heart to disciple the believers here in Northern Thailand.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Please pray with us for the following needs to be met:

Souls to be won

Open Doors in the community

Bunk Beds for the girls

Vehicle to be paid for

Budget to be met

Protection and Safety in our travels

Sex Trafficking in Thailand

Promised Land Ministries is working diligently to identify children who are at risk of being sold into sex trafficking. Sex trafficking victims are typically found in sex clubs, basement brothels, remote massage parlors and street prostitution. Many of them are Thai, but there are also a number of Burmese and Laotian people who are prostituted. These individuals were either lured through false pretenses or were sold by brokers. They are typically purchased by brothel owners or other brokers for \$200-\$875 and must pay off their "debt." The location of Thailand plays a key role in the success of the sex trafficking industry.

Loi Kroh Road, a popular red light area in Chiang Mai

It is close to war-torn Myanmar, Laos and Cambodia. China and Vietnam are also nearby. Various waterways along the borders also facilitate trafficking. Pray for us as we enter the frontlines of ministry and seek to rescue those sold into slavery.

Sharing the Gospel Continued

I have found that this is a great need in the churches and villages we have visited. Our desire is to see souls won to God but to also disciple them to be strong in the Faith. They do not have the study materials available to them as we do in the United States. Pray for us to be able to pour ourselves into the believers here as we labor for God.

We want to thank you for your continued support. Thank you for your prayers. Thank you for your financial support. Thank you for keeping us in the field. We love you very much! We are so honored to have you partner with us. You are making a difference!

In Him for Them,

Jon, Gey
