JULY - SEPTEMBER 2019 | ISSUE 3 | VOL 2

SEWING SEEDS

The past few months have been trying. It seemed that every which way we went there was trouble or fees that the government was placing upon us. But God is faithful. God never said things would be easy in our Christian walk or easy doing good to others but God did say He sits on the throne and is in control He did say trust Him. That is what we do everyday. Trust. Sometimes it's harder than other days. But as we sew seeds of the Gospel, sew seeds of

compassion, sew seeds of love, sew seeds of mercy, and sew seeds of rice, we know that God will give an increase. That's right. I said rice. It may be rainy season now but it is also time to plant rice. We visited the village in Galiya, formerly Jamluang, and we were able to bring food, clothes, medicine, and the love of Jesus with us. We also helped the tribal/village leader plant his rice. As I walked in the heat to till the land, I was reminded of how tilling the land in our hearts so that good soil may be made for seeds to grow can be hard too sometimes.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Please pray with us for the following needs to be met:

Souls to be won

Open Doors in the community

Church Planting

Vehicle to be paid for

Budget to be met

Protection and Safety in our travels

Land for Building a Children's Home

Ministry Photos

Sewing Seeds (cont.)

Paul says in 1 Corinthians 3:6, "I have planted, Apollos watered but God gave the increase." We desire so much for lives to be changed but we have to remember that the Holy Spirit is the agent of change. We cannot push a rose up out of the ground and make it grow. We have to give it time, nurture, water, sunlight and good

fertile soil. In the same way, it may be a long road to water and plant in the souls of those around us. "And let us not grow weary in doing good, for in due season we shall reap, if we do not give up," Galatians 6:9 (MEV). God is doing great things here and we hope that you will join us in sewing the seeds into the lives of those here.
