TEACHING IN THAILAND

Jon and Students

Sawatdee Khrap! Hello from Thailand! I hope this newsletter finds each of you well and enjoying the blessings of God! Gey and I are so thankful for you and your support. You are helping us make an impact in the lives of the children and the people of Northern Thailand. We have been very busy this month as God has opened the door for me to teach in two different schools.

I have begun teaching a class on worship at Impacting Asia Bible Institute-Thailand. This class has already been rewarding. I am working with young adults and they are like sponges as I share scripture about what worship is as it relates to our relationship with God the father. I am also teaching them keyboard and drums. I have also been given the opportunity to teach an English Class at Maitreejit Christian School.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Please pray with us for the following needs to be met:

Souls to be won

Chains to be broken

Bunk Beds for the girls

Vehicle to be paid for

Open doors in the community

Kingdom Connections

Budget to be met

Teaching in Thailand Continued

This is a school that helps underprivileged children receive a good education. I am blessed to be able to minister to these children as I teach them English which will give them better opportunities for their future.

Gey and I want to thank you so much for your financial support. Without it we could not rescue those targeted for sex trafficking nor could we disciple those who have been reached. Thank you. Pray for us as we pray for you! In Him for them!

Jon and Gey

Karen Hill Tribe of Thailand

The Karen hill tribe is the largest of the minority groups in Northern Thailand. Many people of the Karen hill tribe were converted to Christianity by missionaries, with some tribes still practicing animism. Much of Karen hill tribe life is dictated by the spirits. The most important is the "Lord of Land and Water" who controls the productivity of the land and calls upon the rice spirit to grow.

As the Karen have been incorporated into the Thai state increasing numbers have turned to Buddhism. However, some Karen, especially the Sgaw Karen, have been very responsive to the gospel. We are working with the Sgaw Karen. Pray for us to reach the harvest of souls as we labor among them.
