A TIME FOR PLANTING

Galatians 6:9 says, "And let us not grow weary in doing good, for in due season we shall reap, if we do not give up" (MEV). Sometimes it seems like our prayers, promises, or plans take a long time to come into fruition. Sometimes we may get frustrated by this, and that's okay. We are human, but we need not forget that there are seasons in our faith just as there are seasons in this world. Right now in Thailand, we are helping some of the villagers with their fields. Planting and preparing for the rain.

Thailand has "three" seasons. The reason I say "three" is because officially we have three but I say two. They are hot season, cold season (high of 80 degrees) and wet season. We are coming to the end of hot season and getting ready to begin wet season. We are preparing for the rain. We are doing this physically but we should also do this spiritually. We should prepare for the rain of blessing that God desires to give us. We pray for that rain. We pray for the blessings of God. But do we prepare? We learn in Acts 10 that God is not a respecter of persons but

A Time For Planting (cont)

what He does for one, He will do for the other if it is in His will. The same Spirit that raised Jesus from the dead lives within us. God has brought us here to Thailand to rescue his people. His children are enslaved. We must bring them out of their 'Egypt' and bring them into their 'Promised Land.' Children as young as age 8 are being sold into sex slavery. This is not the will of the Father of Light.

God sent me here almost three years ago. God has brought me knowledge of the language and has helped us understand the people we interact with. God has also helped us rescue 22 children ages 10-19. We are still praying for land and money for the land to build homes. We want to rescue as many as possible. Please join us in helping plant for the harvest of souls and the renewal of life.
