

PROMISED LAND MINISTRIES

Chiang Mai, Thailand

OCTOBER - DECEMBER 2019 | ISSUE 4 | VOL 2

TEAMWORK MAKES THE DREAMWORK

We were so blessed and thankful to have had a team from Pelosi, Missouri come be with us. Two churches came together to help build God's Kingdom in Thailand. Pastor John Jones and his family from Cadet Baptist Church along with Brook Dickinson and her family from Reviving Hope Church of God came for a mission trip to help sew seeds here in Thailand. Together as a team we ministered to the girls that we rescue and also visited villages to pray and have a time of

discipleship with adults and children alike. The team brought joy and laughter and rejuvenated our hearts as well. A small VBS was done for the children in one of the villages where we help take care of 10 children. We also were able to do some yard work there and pray for those sick in body. A great time of refreshing from the Lord took place for those we ministered to and for us as a team. God is doing great things in Thailand. We would love for you to join us in the fun. Contact us if you are interested in coming for a mission trip that will change your life.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

In Memory

"Blessed are those that mourn, for they shall be comforted." Matthew 5:4

We have had a few rough weeks because Jon and Gey's 14 year old nephew was killed at the beginning of October. He was hunting and an accident occurred as he was helping one of his friends. A gun went off and shot him in the heart.

We know that Tidah is now with the Lord rejoicing with Him in Heaven. Although, we know this in our heart and mind, our hearts still break for what has taken place. We know that time will heal but please be in prayer for us and the family. "We know that all things work together for the good to those who love God, to those who are called according to his purpose.
