CAST YOUR NETS

Jesus says in Matthew 4:19, "Follow Me, and I will make you fishers of men." We spend a lot of time with our girls and teach them the way of the Lord. We teach them what it means to be a disciple just as Jesus says in John 13:35, "By this all men will know that you are My disciples, if you have love for one another." Our main concentration is helping the children we have rescued understand that they have value and that God has a plan for them. That, even though people fail us, God never fails us.

However, we do other ministry as well. Sometimes God asks us to "cast our nets on the other side." Becoming a Christian is easy. We say our prayer of confession and repentance and by faith we are saved. But, living the Christian life is the hard part. If someone says it's easy, then the devil has them fooled. Living the life of Christ comes with a lot of sacrifices and learning curves. It's a narrow path that many fall off of. That's why it is crucial for us as believers to disciple and uplift one another. Spending time with believers, new believers especially, is a great way to disciple them.

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; Phil. 4:6 NKJV

Cast Your Nets (cont.)

We do not go out and tell them right off the bat, "These things are bad. These things are good. Here's your Bible. Good luck." That is not discipleship. Discipleship is walking and talking. Loving one another through the hardships of life and through the joys of life. When others cry, we cry. When others rejoice, we rejoice. Life was meant to be shared.

We are thankful for those who have supported us and continue to do so. You have helped us come to a land that needs this kind of love, the love of God. You have given us the ability to lead others to Christ, to disciple those in need and to help rescue, restore, equip, and release children from trafficking into their Promised Land God has for them. Thank you.
